

BSI Summer School 2022 Carers' Grant – Application Form

The grant:

The British Society for Immunology is proud to offer our Summer School Carers' Grant. The grant provides members with **up to £300** to support them to attend BSI Summer School 2022 from **Monday 11 to Wednesday 13 July at the Double Tree by Hilton in Coventry**. The grant aims to contribute towards additional costs of care while delegates are attending the summer school.

We also recognise that some members may themselves have a disability and require support/care while attending the summer school. If you are already in receipt of funding for support/care, please be aware of whether the BSI grant will affect this. This is your responsibility, and the BSI will not be responsible for any possible loss of funding that you already receive.

Terms and conditions:

- The grant must be used towards the costs associated with additional care for the applicant themselves or the people that the applicant cares for, i.e., not care that would be in place irrespective of the summer school.
- The grant is not limited to childcare and can include, for example, additional care costs for any dependent of the applicant, e.g., elderly relative.
- It should be noted that the grant is not intended to cover the full costs of care and applicants are encouraged to obtain additional funding from elsewhere.
- Applications will be processed in date order from when they are received and with only one application per member allowed.
- The grant award will be up to a maximum of £300 per applicant for the three-day summer school.
- An applicant may only be awarded one BSI Summer School 2022 Carers' Grant and it does not affect your ability to apply for a BSI Congress Carers' Grant or BSI Regional & Affinity Group Carers' Grant.
- Applications must be received by **Monday 20 June 23:59 BST**. Incomplete or late applications will not be considered.

Data protection and privacy:

We take your data security extremely seriously. We keep it safe, treat it with respect and we will never sell or share your data to any third parties for marketing purposes. To find out more information you can read our [Privacy Policy](#) and [Data Protection Policy](#) on our website. If you have any queries, please contact dp@immunology.org.
