This needs to:

- (1)** Confirm their support of the placement described in this application
- (2)** Outline the suitability of the placement and why it will be important to their lab group as well as yours (the applicant)

You are required to inform us in writing as soon as possible if you receive sufficient support from other sources to meet the full costs of your proposed visit and, where an award has already been made, to return this in full.

You are required to inform us in writing as soon as possible if you receive support from other sources to meet part of the costs of your proposed visit and, where an award has already been made to return the part which is in excess of the stated sum needed.

Should you not undertake your placement after receiving an award, you are required to return the full sum of the award.

If you are successful in receiving an award, the terms of the award require that you provide an account of your activities during the placement.

I agree to the above:
