Information on cookies

Name of Cookie	Essential or Non-essential?	Type of cookie	First or Third party?	Session or Persistent?	Expiry Time	Purpose
_ga	Non-Essential	Analytical	First party	Persistent	2 years	Performance. This cookie is used to distinguish unique users by assigning a randomly generated number as a client identifier. It is included in each page request in a site and used to calculate visitor, session and campaign data for the sites analytics reports
_gat	Non-Essential	Analytical	First party	Persistent	10 minutes	Performance. It is used to throttle the request rate, limiting the collection of data on high traffic sites.
has_js	Essential	(Javascript)	First party	Session	N/A	This cookie is used to indicate whether or not the visitors' browser has JavaScript enabled
_atssc	Non-essential	Targeting	Third party	Persistent	2 years	Used to manage the share count, until the sharing cache is updated.
_atuvc	Non-essential	Targeting	Third party	Persistent	2 years	Used to show you an updated share count for an article, if you yourself share it and return to page later, but before the sharing cache was updated. No info from this cookie is sent back to AddThis. It is created and used only on the client.
_gid	Non-Essential	Analytical	First party	Persistent	5 days	Performance. Registers a unique ID that is used to generate statistical data on how the visitor uses the website.
Mw_consent_cookie	Non-essential	Functional	First Party	Persistent	3 months	Records a user's consent for use of cookies.
